

A light blue world map is centered on the page. Seven yellow stars with blue outlines are placed on the map to indicate global presence: two in North America (USA and Canada), one in Europe, one in India, one in Southeast Asia, one in East Asia (China), and one in Australia.

**WORLD COMPLIANCES INC.
YOUR ENTRUSTED PARTNER FOR GLOBAL
MARKET ACCESS (GMA)**

ISO 9001 CERTIFIED

Company Profile

World Compliances Inc. is a global testing & certification company based out of Toronto, Canada with several satellite labs and offices located around the world.

We are a group of experts who have a experience in handling testing and certifications. **We formerly worked for globally well-known certification bodies such as TUV, CSA, SGS, and UL.** You could enjoy great services from us while saving at least 20% in compliance cost with the lead time being 1-2 weeks shorter in lead time.

Our service scope includes :

- Safety (CB, IEC scheme)
- EMC (CISPR, VCCI)
- Wireless (Type approvals)
- Energy Efficiency (Home appliances)
- Hazardous Materials (RoHS, REACH)
- Hazardous Locations (IECEX scheme)
- Medical devices (FDA, CE MDD)
